

Broadstone Neighbourhood Forum Awards

To note that £618.13 has been transferred from the former Broadstone Neighbourhood Forum to Broadstone Town Council.

At the request of the former Forum Trustees, it is proposed that the funds are held in a designated reserve for a period of three years. This will allow for six awards in total, with two awards of £100 being made each year.

The awards will recognise an individual or group who has made a lasting and positive contribution to Broadstone.

Broadstone Town Council will compile a list of potential nominees, which will be provided to the former Forum Trustees. The former Trustees will then select the recipients of the awards for the first three years.
